Membership 2021

We are delighted to confirm that the RVRC membership price will not increase for 2021, despite BRC increasing their prices.

Membership will remain at the following price for both seniors and juniors:

- 1 member - £32.50
- 2 family members - £60.00
- 3 family members - £90.00

Renew your membership at

Message from Chairman Mary Gillam

I am very proud of all that RVRC members have achieved during a testing year. As a club we have followed our motto of "Energy, Enthusiasm and Enjoyment" and have brought this to all our clinics and competitions.

The club have held several dressage roadshows competitions, both a mini and maxi clear round show jumping, and clear round cross country as well as online dressage and photo competitions. RVRC teams have also been successful in area competitions.

The RVRC committee are busy planning clinics, competitions and a packed schedule for 2021 - we look forward to seeing you all very soon. I wish you a very Merry Christmas and a happy and healthy New Year.

Combined Training

**all events and competitions are
subject to government guidelines*

Clinics and Instructors

**From 2 December 2020, BRC activities can resume across all Tiers. Whilst sporting activity is permitted to resume in all three Tiers, it should be noted that associated travel restrictions may govern what BRC activities can take place. As a general rule, people residing in Tier 1 can travel to Tier 2 but must comply with Tier 2 rules whilst there i.e. numbers allowed to meet. People residing in Tier 2 can travel to Tier 1 but must continue to comply with Tier 2 rules whilst there.*

There should be no unnecessary travel into or out of Tier 3. BRC activities would not be considered necessary travel, so whilst events are permitted to be held in Tier 3 areas, they should only be attended by people residing within those areas. Organisers should do their best to enforce these travel restrictions, however it remains the ultimate responsibility of the individual.

Throughout the year RVRC put together clinics for members in all disciplines - these are advertised on both facebook, the RVRC website and emailed to members. Members can be entered through PlanitBookit.

Approved Instructors

Alex Wyatt Hughes - Betsy Davis - Camilla Kruger
Jo Crouch - Sian Griffiths - Tanya Reid
